

Festive Season @ The Wee Restaurant

Thanks for thinking of us for your festive get together!

Here is our information sheet that should have everything you need to know to book with us this festive season.

For private hire (30-40 persons dining). For bookings of 6 and above we require a deposit of £10 per person deposit. This is preferably paid upon booking with a credit or debit card. If not, it must be paid within a week of your booking being entered in our diary system. We can provide a copy of your receipt for this via email.

If your festive meal goes through a finance department, you may need this.

If your numbers change before you dine with us please let us know as soon as possible. We reserve the right to keep the £10 of any no show diners on your table.

We offer the A La Carte Festive menu for lunch and dinner from the 3-21st December. For tables of 19 and below the full menu is on offer to you. For tables of 20 and above we ask that you choose 3 starters, 3 main courses & 2 dessert & cheese. This is to ensure your food comes to you in a timely manner & hot. We are unable to offer the mussels dish to larger tables of 20 or above.

If possible, please try to ensure any dietary requirements are included within your choices. If it proves more difficult, please discuss with our staff any dietary requirements of any of your guests & we can give you information regarding what we can offer a guest. **It is very useful for you/us not to have any dietary surprises on the day of your booking.**

Please see our website for the festive menu & wine list.

www.theweerestaurant.co.uk

Nearer the time we will contact you to firm up your food choices and ask for you to choose wine from our wine list & whether you want mineral water or tap water, bread etc. For bigger parties we like to ensure we do not run out of your choice of wine. Some of our wines, we only carry low stock of, but are more than happy to ensure we have more in for your needs.

On the day we ask the person who made the booking to liaise with the staff regarding any diners within the party that have dietary allergies or intolerances. We should have been advised of these diners in advance.

We do not wish parties to pre-order any choices. It normally causes a fair bit of stress for you to try to pin people down for this. It does not help us at all, we need to take the order again on arrival anyway-if you've made a food choice list, we do not know who John from accounts is and where he is sitting!

The bill for the food & drink is paid on the day of dining (minus your deposit). We do not offer separate bills for individuals

Each receipt you will receive will have our VAT number on it for your needs.
Any other questions please do not hesitate to ask a member of staff.
